All sections on page two of this authorization must be completely filled out before Sharp Rees-Stealy (SRS) is permitted to disclose or receive your protected health information (PHI).

EXPLANATION: This form authorizes the use or disclosure of protected health information in the manner described below and is voluntary. Refusal to sign will not affect your ability to obtain treatment from SRS. Please be aware that once your information leaves SRS, SRS will no longer be able to protect that information, and the recipients of your information may not be legally required to protect your information.

AUTHORIZATION TO DISCLOSE SPECIFIC PROTECTED HEALTH INFORMATION: Federal and State laws require us to obtain specific authorization from patients to release especially sensitive information. Sensitive information is defined as treatment or documentation related to HIV and AIDS test results; psychiatric care, and treatment for alcohol or drug abuse. Be aware that we will automatically exclude these types of information unless you specifically identify them for release.

RESTRICTIONS: I understand that Sharp Rees-Stealy may not further use or disclose the information described on page two of this form unless another authorization is obtained from me or unless such use or disclosure is specifically required or permitted by law. I hereby release Sharp Rees-Stealy from any/all liability that may arise from the release of this information to the party named on this form.

ADDITIONAL COPY: I further understand that I have a right to receive a copy of this authorization upon my request.

CHARGES: If your health information is being released directly to you, you may be responsible for payment of a reasonable, cost based processing fee. The fee covers clerical costs as well as any/all costs associated with copying of the information.

NON-SRS RECORDS: SRS may not retain all records received from outside providers. Please contact your non-SRS provider for complete copies of non-SRS records.
